

HAMILTON MEDICAL LEGAL SOCIETY

September 2019

Dear Member:

We are delighted to welcome you to our 60th year! That's right, for 60 years, the Hamilton Medical Legal Society has fostered professional, educational and social contact among legal and health care professionals in the Greater Hamilton area. We are proud of our rich history in this community and we look forward to the future with enthusiasm and purpose.

We are equally delighted to briefly introduce you to our upcoming season. On October 9th, 2019, Dr. Yin-Hui Siow, the Director of Nuclear Medicine at Southlake Regional Health Center, will be speaking on Imaging in Traumatic Brain Injury cases. Mr. Jeff Naganobu, a partner with Agro Zaffiro LLP, will follow and speak about the legal aspects of neuro-imaging. This will be a dinner event held at LoPresti's Restaurant in Hamilton.

On Thursday December 5th, 2019 at the Hamilton Club, we will host our annual Holiday Cocktail Party. This social event has proven popular as it affords a wonderful opportunity to connect with colleagues in a warm and inviting setting at a special time of year.

On Tuesday February 4th, 2020, Dr. Jane Storrie, a clinical psychologist with Storrie Velikonja and Associates as well as a Past President of this Society, will be speaking on Post Traumatic Stress Disorder: From symptoms to treatment and everything in between. This event will take place at Merit Brewery in downtown Hamilton.

Finally, on Wednesday April 22nd, 2020, the Society will put on a special educational program tailor made for health care professionals. You may be terrified about being asked to give evidence at trial. This program aims to demystify the legal system and give you valuable tips if you are asked to produce your clinical notes, write a report or are called as a witness at trial.

With this letter, you will be receiving your Membership Renewal. We not only encourage you to renew your membership but we would also ask you to invite at least one of your colleagues to become a member of the Society. We are confident that you will find membership in the Hamilton Medical Legal Society to be an ongoing benefit to you in your professional life. To the next 60 years!

Yours very truly,

Franco Ciarlo
President 2019/2020
